Crl. Rev. No. 480/2001
(Old No. 1776 of 1993)
**Hon'ble Irshad Hussain, J.**

None appear for the revisionist despite service. Heard Sri G.S. Sandhu leaned A.G.A. and perused the record.

The revision is filed against the impugned judgment and order dated 22.10.1993 whereby the order passed by the learned Magistrate releasing the case property was set aside. The property seized was resin product for which the revisionist has had no licence and permission to transport and purchase therefore the impugned order setting the order for release does snot suffer from any impropriety. Considering this the revision is dismissed and the stay order dated 9-11-1993 is vacated.
